One size fits all (More suitable for cup sizes A-B-C)

Will add 1 cup size depending on your bust size

Colour : Clear or Flesh (white flesh) please kindly select the colour that you want from the drop box at the top of this page .

Instruction for use:

Simply place your Softleaves Enhancers in your bra, the breast enhancers will mould to your bra shape.

For cleavage: wear them in your ordinary bra.

For increasing the cup size: wear them in a one cup size bigger bra.

If you want them to become self-adhesive, double sided adhesive tapes and skin adhesive pads, specially tested for use with these enhancers, can be used and are available from our online shop.

Taking care of your Softleaves Breast Enhancers:

- *After use, keep the breasts in their package.*
- *Hand wash with warm soapy water.*
- *Allow to dry naturally or use a hair dryer on a low temperature setting.*
- *Keep away from excessive heat.*

To make these enhancers self adhesive ,please kindly see our tested Softleaves Double-sided adhesive tape in our Softleaves Online .

To Buy a special travel case for use with these enhancers please visit our Softleaves online shop

Please also visit our Softleaves online shop for a full range of high quality silicone breast care products and accessories specially designed for this item (double side adhesive tapes , silicone nipple enhancers, silicone bra,and covers) .

please kindly not that our accessories are specially designed for our Pinkwaves and Softleaves breast enhancers and might not work for other kinds of breast enhancers available on the market, as our accessories and enhancers are made from very high quality materials and are especially designed to work perfectly when used with each other, for example, our softleaves double-sided adhesive tape will peel of the silicone breast enhancers without effecting our enhancers , while if used with other low quality products , it might damage them.
