Softleaves Triangular C100 Silicone Breast Forms are Very High Quality Full Silicone Breasts

Features & Benefits :

- *Designed as enhancers for women with flat chest (very small or no breasts).*

- *Triangular shape to match the curves of the chest cage giving perfect fit and comfort; therefore providing the feel and look of having large breasts.*
- *Symmetrical shape, therefore, both breasts can be used on either the left or right side .*
- *Undetectable, as they bounce, shape, and feel natural due to the ultra-soft silicone material which is encased in a thin polyurethane layer, providing the same homogenous structure as the natural breast.*
- *Designed to be used with almost any bra.*
- *Easy placement, durable, water proof and warm up to the body temperature.*
- *Double side adhesive tapes and most attachments can be used with these breasts.*
- *The breast forms have their own nipple impressions as can be seen in the photos .*
- *Two extra breast pads will be provided to be used, if you do not want the breast in direct contact with your skin.*
- *The breasts come in a very high quality specially designed box to protect them after use(as seen in the photo)*

Breast Size :

Softcare Silicone UK Breast Form Conversion Table

To find the Softleaves breast form size that is suitable for you , please kindly look for your bra size on the conversion table below. You can find the corresponding breast form size on the left column of the table.

Example: If your bra size is 42B you will require a size 8 breast form

The horizontal row shows the cup size (bust size) , and the vertical column shows the band size .

Please Kindly note that this table should be used as a guide only

Dimensions and weight :

Please kindly note that this table should be used as a guide only and shows only the sizes that are currently available in stock .

The above table is to be used as a guideline only, item can be returned or exchanged with any size for no extra post costs or for a full refund within 30 days and in any condition .(this does not effect your statutory rights)

What will you receive?

1- One peice of Softleaves® Triangular C100 Silicone breast form.

(please select the size ,colour of the breast form from the drop box at the top of this page)

2- **A pair of fabric breast pads.**

3- **A specially designed, very high quality, box to protect the breast forms after use.**

4- **a breast cover (Cotton) used if you dont want the breast form in direct contact with the skin .**

Please note that the item will be sent in discreet packaging .

Instruction for use:

Place the silicone breasts in a suitable bra, then wear the bra, the breasts will mold to your chest curvature.

Use Softeaves double sided adhesive tape (not included in this sale) to attach these breast forms to the skin.(make sure you place sufficient tapes to cover the breast form to avoid sudden release and damage to the skin and forms- always using a bra to support the forms is recommended).

Taking Care of your Silicone Softeaves Triangular C100 Breasts :

- *After use, keep the breasts in their box.*
- *Hand wash with warm soapy water*
- .- *Allow to dry naturally or use a hair dryer on a low temperature setting*
- .- *Keep away from excessive heat.*

Please also visit our Softeaves shop for a full range of high quality silicone breast care products and accessories specially designed for this item (double side adhesive tapes , silicone nipple enhancers, silicone bra ,and covers) .

please kindly not that our accessories are specially designed for our Pinkwaves and Softeaves breast enhancers and might not work for other kinds of breast enhancers available on the market, as our accessories and enhancers are made from very high quality materials and are especially designed to work perfectly when used with each other, for example, our softleaves double-sided adhesive tape will peel of the silicone breast enhancers without effecting our enhancers , while if used with other low quality products , it might damage them.

*Note: the normal weight breast forms are made from high quality **normal weight** silicone gel, however, the Light weight silicone forms are made from light weight silicone gel (same size but 25% lighter in weight) .*

RRP : 90-480 GBP (this item is on offer for the above low price for a limited period of time)
