Softleaves WaterDrop D100 Silicone Breast Forms are Very High Quality Full Silicone Breasts

Features & Benefits :

- ***Designed as enhancers for women with flat chest (very small or no breasts) .***

- *Water-Drop Shape to match the curves of the chest cage giving perfect fit and comfort; therefore providing the feel and look of having large breasts.*
- *Symmetrical , therefore, both breasts can be used on either the left or right side .*
- *Undetectable, as they bounce, shape, and feel natural due to the ultra-soft silicone material which is encased in a thin polyurethane layer, providing the same homogenous structure as the natural breast.*
- *Designed to be used with almost any bra.*
- *Easy placement, durable, water proof and warm up to the body temperature.*
- *Double side adhesive tapes and most attachments can be used with these breasts.*
- *The breast forms have their own nipple impressions as can be seen in the photos .*
- *Two extra breast pads will be provided to be used, if you do not want the breast in direct contact with your skin.*
- *A Cotton Breast Breast Cover will be provided to be used, if you do not want the breast in direct contact with your skin and want them covered*
- *The breasts come in a very high quality specially designed box to protect them after use(as seen in the photo)*

What will you receive?

1- Softleaves® Water Drop D100 Silicone breast form.

Please select the size and colour and the set (one piece or a pair) of the breast forms from the drop box at the top of this page

2- A pair of fabric breast pads.

3- One Softleaves Double-sided skin adhesive tape to make them self-adhesive .

4- A 100% cotton breast cover with each breast form .

5- A specially designed, very high quality, box to protect the breast forms after use as seen in the photos .

Please note that the item will be sent in discreet packaging without even our company name on it to protect our customers privacy .

Instruction for use:

Place the silicone breasts in a suitable bra, then wear the bra, the breasts will mold to your chest curvature.

Use Softleaves double sided adhesive tape (included in this sale) to attach these breast forms to the skin.(make sure you place sufficient tapes to cover the breast form to avoid sudden release and damage to the skin and forms- always using a bra to support the forms is recommended).

Use Softleaves Covers with these breast forms (included with this sale) if you don't want them in direct contact with the skin.(you can also use the fabric breast pads that are included in this sale) .

Taking Care of your Silicone Softleaves Triangular D100 Breasts :

- *After use, keep the breasts in their box.*
- *Hand wash with warm soapy water*
- .- *Allow to dry naturally or use a hair dryer on a low temperature setting*
- .- *Keep away from excessive heat.*

Please also visit our Softleaves Online shop for a full range of high quality silicone breast care products and accessories specially designed for this item (double side adhesive tapes , silicone nipple enhancers, silicone bra ,and covers) .

please kindly not that our accessories are specially designed for our Pinkwaves and Softleaves breast enhancers and might not work for other kinds of breast enhancers available on the market, as our accessories and enhancers are made from very high quality materials and are especially designed to work perfectly when used with each other, for example, our softleaves double-sided adhesive tape will peel of the

silicone breast enhancers without effecting our enhancers , while if used with other low quality products , it might damage them.

RRP : 190-480 GBP (this item is on offer for the above low price for a limited period of time)
