What will you receive ?

1- A pair of Softleaves® ReelLook X100 Silicone breast forms in the size that you select from the drop box at the top of this page.

(Please kindly select the size colour and nipple colour of the breast form from the drop box at the top of this page .

2- A specially designed, very high quality, box to protect the breast forms after use.

3- Two breast pads

Please note that the item will be sent in discreet packaging .

To make these breast forms self adhesive ,please kindly see our tested Softleaves Double-sided skin adhesive tape in our Softleaves shop

Instruction for use:

Place the silicone breasts in a suitable bra, then wear the bra, the breasts will mould to your chest curvature.

*Use **Softleaves double sided adhesive tape**(available in our softleaves shop) to attach these breast forms to the skin.(make sure you place sufficient tape to cover the breast forming order to avoid sudden release of the form or damage to the skin and forms- (always using a bra to support the forms is recommended).*

*Use **Softleaves Covers** with these breast forms (available in our Softleaves shop) if you don't want them in direct contact with the skin .*

Taking Care of your Silicone Softleaves X100 ReelLook Breasts :

- After use, keep the breasts in their box.*
- Hand wash with warm soapy water*
- .- Allow to dry naturally or use a hair dryer on a low temperature setting*
- .- Keep away from excessive heat.*

Please also visit our Softleaves shop for a full range of high quality silicone breast care products and accessories specially designed for this item (double side adhesive tapes , silicone nipple enhancers, silicone bra ,and covers) .

please kindly not that our accessories are specially designed for our Pinkwaves and Softleaves breast enhancers and might not work for other kinds of breast enhancers available on the market, as our accessories and enhancers are made from very high quality materials and are especially designed to work perfectly when used with each other, for example, our softleaves double-sided adhesive tape will peel of the silicone breast enhancers without effecting our enhancers , while if used with other low quality products , it might damage them.

Please also see our Light Weight Silicone Breast Form Department for the full range of Light-weight breast forms , as the Softleaves Reellook is also available using light weight silicone gel that is approximately 25% lighter in weight than the normal silicone gel .

RRP : 120 - 480 GBP depending on the breast size (the item is on a special offer for a limited period of time for the above prices).
