Softleaves B400 Buttock Enhancers

Price per Unit (piece): £35.00

Undetectable, as they bounce, shape, and feel natural due to the ultra-soft silicone material which is encased in a micro-thin polyurethane layer, providing the same homogenous structure as the natural buttocks or when the sponge pads are used, you will have a comfortable, light pants that will give you the shape you always wanted.

So discreet to enhance the natural figure in almost any clothing, simply place the round pads inside the pants pockets and wear them as normal pants.
